

I would like to register a complaint against Sinclair Broadcasting for using the public airwaves to promote their own agenda and clearly use the stations for political smear tactics by the bush campaign. I do not believe this is a First Amendment issue, but it is definitely political ad that is not regulated by the FEC and I am requesting an investigation.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.
